**IN MEMORY OF
Eric Ledell Smith
(1949–2008)**

June 27, 2008

**The State Museum of Pennsylvania
Pennsylvania Historical and Museum Commission**

PENNSYLVANIA STATE LIBRARY
DOCUMENTS SECTION

*“There is no ‘black history,’
‘women’s history,’ or
‘Native American history.’
There is only human history.”*

—Eric Ledell Smith

A butterfly lights beside us like a sunbeam
And for a brief moment its glory
And beauty belong to our world
But then it flies again
And though we wish it could have stayed...
We feel lucky to have seen it.
